

Performance-based Standards (PbS) Quarterly Report of Critical Trends

For the Period January 2021 - March 2021

Report Date: June 25, 2021

Information in this report is based on information collected from agency submitted event reports and are based on Performance-based Standards (PbS) category definitions. Data may have been extracted both from hard copy and electronic event report documents into the PbS internal database.

Note: Identified incidents are not mutually exclusive and may relate to or are part of the same reported event. For example, a single reported event can have several occurrences that may include multiple categories such as an assault, fight, contraband, disturbances, etc.

Refer to the glossary of critical PbS terminology for additional information.
